

## English

This half-term, children will be exploring a fantasy text called Flotsam by David Wiesner. In English lessons, children will be writing:

- a setting description
- a narrative
- a letter
- a non-chronological report

## PE

In PE this half-term, children will be learning football skills.

## DT

The topic this term is about sandwich snacks, children will be:

- Examining different flavours and textures
- Planning, designing and creating a healthy sandwich to sell.

# Half Term Curriculum Overview

## Year 3 & 4 Autumn 2-2018

We will ensure that Islamic knowledge is incorporated into the curriculum insha'Allah.

## Mathematics

This half-term, children will be learning a range of different topics in Maths. This half-term we will be learning about:

- Solving problems involving reasoning
- Addition and subtraction using formal written methods
- Multiplication and division using the formal written methods
- Revising timestables up to 12x12

## Computer Science

We will be learning about word processing skills.

## RE

The children will be learning about all the signs and symbols in religions and what they mean.

## Science

In science we will be learning about health and movement. We will be able to:

- Identify how a balanced diet helps to keep healthy.
- Investigate what animals eat
- Explore human and animal

skeletons

## Humanities

We will be looking at:

- Identifying countries in Europe
- Finding out about human and physical features of a European country.
- Comparing two European capital cities.

## Homework

Children will receive homework on Fridays and they will need to make sure that they bring it back the following Tuesday. Children will also be given spelling on Friday following a test on Monday. All children should be reading at least 10 minutes every day home.
