

Curriculum Overview

Year 5 & 6 Summer 1 - 2019

We will ensure that Islamic knowledge is incorporated into the curriculum In Shaa Allah.

English

This half term, we will be exploring the unusual story of Mongolian brothers, who are nomads, in a novel called 'The Unforgotten Coat'. We will be writing short pieces to create scenes, and using techniques like dialogue to move the story forward, multi-clause sentences, noun phrases and expanded noun phrases and past perfect to describe emotions, all to build-up to extend this narrative. As a nonfiction piece, we will research to learn about Mongolia to be able to write an information text.

PSHE

We will be looking at ways we can keep ourselves and our loved ones safe. We will discuss our physical and mental well-being. Some of the risks involved in different situations we have to face as we grow older (as secondary school) and how to deal with them.

Reading Comprehension

As the previous term, the extra session in the afternoon for reading comprehension will continue, to prepare for the year 6's upcoming SATs In Shaa Allah. This session should help their confidence and skills in understanding and answering questions related to a text.

Mathematics

At the beginning of Summer term, we will revisit measurement through **area** and **perimeter** before we look at **volume** - the unit that measure the content or capacity of a

container.

Then review how to convert different **units of measure** including time (**24-hour clock** and

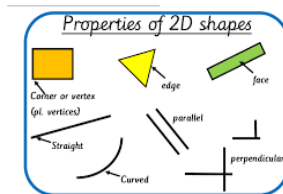

1000g = 1 kilogram

1000ml = 1 litre

100cm = 1 metre

12-hour clock)

Finally look at **angles** and **properties of shape**.

2D Shapes	3D Shapes
<ul style="list-style-type: none">- are flat- corners- sides- ex. Circle, square, rhombus	<ul style="list-style-type: none">- are not flat- vertices or 1 vertex- edges- faces- ex. Sphere, cone, cylinder

Maths Revision

revision will continue as the SATs draws nearer In Shaa Allah. This will hopefully help build their confidence and stamina as they continue to practice past SATs questions.

PE

This first part of Summer term, we will be learning the skills and techniques to play cricket.

Art

Our Art topic this half term is 'Cityscapes'. We will be learning about some famous painters who are known for their portraits of famous cities, particularly cities by the water. This will lead us to adopt their techniques to produce our own cityscapes!

SPAG

We will continue the additional SPAG session in the afternoon, in order to practice their spelling, punctuation and grammar skills and enable them to answer the questions in the SPAG test.

Homework

Children will be receiving their homework weekly on Fridays. It will focus on the subjects that were covered that week in order to help reinforce their learning. It should be handed in on Tuesdays.
