

When I sneeze,

I say:

“Alhamdulillah”

الحمد لله

which means: ‘All praise is for Allaah’

...and if another Muslim sneezes, I say:

Yar-ham-u-kullah

which means: ‘May Allaah have mercy upon you.’

...and. the one who sneezed replies:

Yah-dikum-ullah wa yus-li-hu baal-u-kum

which means: ‘May Allaah guide you and rectify your condition.’
