THOMAS EDISON, INVENTOR

**“Genius is 1%
inspiration and 99%
perspiration.
Accordingly a genius
is often merely a
talented person who
has done all of his or
her homework.”**

Thomas Alva Edison was a famous American inventor.

He is best known for inventing **‘domestic’ lightbulbs** to go in houses, and the electric power system that allows them to work. He came up with **over 1000 successful inventions in his lifetime.**
