# SALAAM

## ASSALAMU ALAYKUM

To our brothers and sisters, on this Earth,  
who may have different countries of birth,  
who may live in different cities and towns,  
of all skin colours - pinks, whites or browns.

To our brothers and sister, big and tall,  
of all different sizes, some short and small.  
To all of those who we never meet or see.  
Yes, to all of you, wherever you may be.

To our brothers and sisters, we say salaam  
and make a dua to protect you from harm  
and make a dua to put love in the heart  
and that this Ummahs' problems depart.

Islam teaches us that all Muslims are like brothers and sisters and should always behave well. We should only make friends with good people.

**A** Describe your best friend.

**B** Good things about your best friend

**C** What things you do together

TRANSLITERATION

## HALAL

Allah made halal things which are good for us. Good Muslims only eat halal foods and do halal things.

Haram foods are bad for us and we should keep away from all bad things.

Allah has made many Halal foods. We should try our best to eat only Halal. If we are not sure we should ask.

We must earn money from Halal businesses. We mustn't work in places that deal in haram (eg casino/pub)

We should not rob people or steal from others. This money we get would also be haram.

Any money we get from Haram earnings would make the things purchased from them Haram ( eg clothes and food)

## EATING

We should wash our hands before we eat. We should also read Bismillah before we eat.

We should not be greedy when we eat. The prophet ate in moderation (not too much or too little).

When we eat, we should sit down and also share our food. Do not waste food.

We should eat with our right hand because our left hand is used for unhygienic things (eg lifting slippers).

Food is a great blessing from Allah. Do not waste any food. Think about the people that are hungry and poor.

When we finish we should thank Allah for the food he has given us.

Prophet

Allah has given us these bodies so we should look after them. We should try our best to eat the right kinds of food. What kinds of food and drink is there?

**A** Food that is good for us

**B** Food that is bad for us

**C** Haram- food that is very bad for us
