

Year 1 & 2 – Poetry Week

Next week, we are back to poetry week. Yes, it's one of our favourite weeks in school. Do you remember you did all those lovely amazing acrostic poems last time during poetry week?

Well! I would like you to see this short video clip so that you can remember all the different types of poems there are as next weeks learning will be all about analysing poems and its purposes, identifying specific features, writing and creating your own poems within our poetry week

<https://www.youtube.com/watch?v=JmkgAWAGtbE>

Take notes if you would like to in your books of anything you may think is important and relevant for our poetry week for any discussions in class. This will only allow you to be prepared and have a head start for next weeks lessons.

Best of luck

KS1 Teachers
